

REMARKS

Pursuant to 37 C.F.R. §1.111, reconsideration of the instant application, as amended herewith, is respectfully requested. Entry of the amendment is requested.

/ Applicants thanks the Examiner for allowing claims 15-25 and indicating allowability for claims 5, 7-9, and 11-14 if re-written.

Although applicant does not fully agree with the Examiner regarding the reasoning for the rejection of the claims, applicant wishes to expedite the prosecution by seeking allowance on claims deemed allowable by the Examiner.

Claim 1 is amended to include the elements of claims 1 and 5.

Claim 7 is now an independent claim with elements of claims 1 and 7.

Claim 10 is now an independent claim with elements of claims 1, 10 and 11.

CONCLUSION

Even though the initial claims in this important patent application were drawn to a new, useful and nonobvious invention, they have now been amended to increase their specificity of language. Applicant respectfully submits that the amended claims herein are patentable over the art of record.

A Notice of Allowance is earnestly solicited.

If the Office is not fully persuaded as to the merits of Applicant's position, or if an Examiner's Amendment would place the pending claims in condition for allowance, a telephone call to the undersigned at (727) 538-3800 would be appreciated.

Very respectfully,

Dated: 3/9/05
